About US:

Remedy's Rx Specialty is the ONLY independently owned Multi-Provincial provider of Specialty Pharmacy Services in Canada. Operating as an independent means that we value the long-term relationships that we build with our partner homes, and we work collaboratively as an integral part of the health care team.

Our tagline is "Your Partner in Care," and like our culture, we are all about being a true partner.

We are committed to providing excellent patient care, within a fast-paced environment that services the needs of our Homes. We provide an employee friendly team environment in which goal-oriented individuals thrive as they achieve rewarding challenges.

Position Summary

As a Pharmacist you will be reporting to the Pharmacy Manager within our Windsor pharmacy. The position is responsible for the provision of clinical services to our Long Term Care (LTC), Mental Health Group Homes and Assisted Living Facilities. This clinical role will include services such as delivery of educational in-services, collaborating with our partners to implement disease state management programs for specialized areas and medication reviews.

Some Key Responsibilities

- Consult and provide advice with key stakeholders of the LTC facilities such as administrators, Directors of Care, physicians, nurses
- Design and implement educational, in service programs and events and partner with healthcare providers to implement disease state management programs for specialized areas
- Manages drug destruction, med reviews, committee work and other contractual and regulatory obligation
- Maintains adherence to policy & procedure manual
- Performs other related duties assigned to support Remedy's Holdings Inc.

Qualifications/Requirements

- Bachelor of Science in Pharmacy, fully licensed in Ontario and in good standings
- Minimum two years clinical consulting experience and dispensing experience
- Must have a vehicle and be willing to travel to provide clinical services
- Experience in counseling, educating and instructing patients as well as nursing staff in homes
- Excellent leadership, interpersonal and performance management skills are required

If you are committed to providing outstanding care and are passionate about making a difference in the lives of your patients, we want to hear from you today!
