

VACANCY POSTING

Nurse Practice Consultant (NPC), LPN **Homebased Office supporting Vancouver and the Downtown Eastside** **Part-time**

At Remedy'sRx Specialty Pharmacy, we service Long Term Care, Retirement Home, Assisted Living, Mental Health and Group Homes and other institutional care settings through dedicated pharmacies.

About US:

Remedy's Rx Specialty is the ONLY independently owned Multi-Provincial provider of Specialty Pharmacy Services in Canada. Operating as an independent means that we value the long-term relationships that we build with our partner homes, and we work collaboratively as an integral part of the health care team.

Our tagline is "Your Partner in Care," and like our culture, we are all about being a true partner.

We are committed to providing excellent patient care, within a fast-paced environment that services the needs of our Homes. We provide an employee friendly team environment in which goal-oriented individuals thrive as they achieve rewarding challenges.

Position Summary

We are in need of a **Nurse Practice Consultant** who will be reporting to the Pharmacy Manager. The position is responsible for supporting the needs of our clients in the mental health/group home settings in Vancouver and the Downtown Eastside with education and audits. This position also provides our clients with education and training on Nursing Best Practices.

We provide a client focused multidisciplinary practice environment that allows our team to thrive and make a difference in client's lives, making this our prescription for success. Most homes assigned are located within Vancouver and the surrounding areas including the Surrey and Langley.

Principal Responsibilities:

- Act as a liaison between pharmacy/Account Manager and the home
- Advocate to the home in the realm of medication management
- Conduct regular education sessions for unregulated care providers
- Assignment and delegation of task to unregulated care providers in the group home setting
- Complete scheduled Med Management Audits on frequency defined by home type
- Consult on Best Practice in response to governing bodies
- Conduct Nursing Practice Risk Assessments in the Group Homes
- Conduct Best Practice Clinics
- Educate on topics such as UCP Medication Administration, Pharmacy Policy and Procedure,
 - PSW Treatment Administration
- Provide feedback to Account/Pharmacy Managers re: Issues/Concerns which arise
- Attendance at Health Shows, Wellness Days, Conventions etc. may be required
- Perform other duties as assigned to support Remedy Holdings Inc.

Consulting Responsibilities:

- Understand Pharmacy Policy, Operations function, Procedure Manuals associated with Sector/Pharmacy
- Understand Legislative Requirements governing the homes serviced
- Up to date on the College of Nurses Standards of Practice with the ability to consult on Accreditation Canada/CARF Standards
- Become familiar with associations related to the home (s) served
- Understand each eMAR platform used within client homes
- Lead or assist in the development of Educational pieces/programs
- Understand the roles of each Remedy'sRx team member; Leadership team, Management team, Clinical Pharmacist, Operational Pharmacist, Technicians, Drivers

Travel Expectations:

- NPCs can expect to be on the road 2-3 days a week visiting homes within their assignment.

Qualifications/Requirements

- Fully licensed with the British Columbia College of Nursing Professionals
- Minimum 2 years of nursing leadership experience in the mental health sector
- Proven ability to adapt positively to change
- Experienced in Project Management
- Ability to communicate effectively, both verbally and in writing
- Demonstrated experience in educating and instructing unregulated care providers.
- Proven ability to work in a fast paced collaborative team environment
- Knowledge and competencies to work at full scope of practice as currently required by the BCCNP

If you are committed to providing outstanding care and are passionate about making a difference in the lives of your patients, we want to hear from you today!
