About US:

Remedy's Rx Specialty is the ONLY independently owned Multi-Provincial provider of Specialty Pharmacy Services in Canada. Operating as an independent means that we value the long-term relationships that we build with our partner homes, and we work collaboratively as an integral part of the health care team.

Our tagline is "Your Partner in Care," and like our culture, we are all about being a true partner.

We are committed to providing excellent patient care, within a fast-paced environment that services the needs of our Homes. We provide an employee friendly team environment in which goal-oriented individuals thrive as they achieve rewarding challenges.

Position Summary

As a **Registered Pharmacy Technician** you will be reporting to the Operations Manager within our Alberta pharmacy. The role is responsible for performing the technical functions of filling prescriptions and assists in administration duties under the direct supervision of the pharmacist.

Some Key Responsibilities

- Assist the clinical pharmacists by assessing validity of prescriptions and gathering data for their clinical assessment
- Answer questions from patients and collaborate with other health care professionals as appropriate
- Assist with data input and technical verification of new and refill prescriptions
- Check for accuracy and completeness of final product prior to delivery
- Assist with inventory control and formulary compliance
- Use PacMed, PACVision and other specialty equipment

- Be familiar with compounding, blister packs and vial filling
- Practice full scope as a Regulated Technician as allowed by the College
- Other responsibilities as required for the position

Qualifications/Requirements

- Registered to Alberta College of Pharmacists as a Regulated Pharmacy Technician with good standing.
- At least 1 year working experience as a Regulated Pharmacy Technician (Pharmacy Assistant experience may also be considered)
- Knowledge of Kroll Version 10, Pharmaclik and Alberta formulary are an asset
- Must possess good communication skills, both verbal and written
- Must be able to manage time appropriately and prioritize workload while maintaining a high degree of accuracy and completeness
- Commit to working with the team or independently with minimal supervision

If you are committed to providing outstanding care and are passionate about making a difference in the lives of your patients, we want to hear from you today!
